How Do I Win?

SUSE and its partner Ecosystem have teamed up to provide you with a number of exciting sessions at SAP SAPHIRE & ASUG Conference 2018. You can choose between sessions in the SUSE Mini Theatre, SAP Theater 2 or Partner Theater Session.

Don't miss out! Visit SUSE booth #859 with our co-exhibiting partners Datavard, IHT, Micro Focus, Protera, Rev-Trac and SEP.

In the SUSE booth 859, discover how to:

- Optimize your digital transformation journey
- Migrate to SAP HANA and SAP S/4HANA
- Manage & optimize your data for SAP HANA migration
- Deploy SAP on the Public Cloud (e.g. AWS, MS Azure)
- Leverage SAP Cloud Platform and deploy in containers
- Get reliable data protection and bare-metal recovery
- Experience intelligent monitoring for your SAP environment

Stop by the SUSE booth and WIN!

See previous page inside for details.
